Vice-Chancellor's message

It is a matter of great pleasure that CNLU is going to publish its News Letter named 'CILPE' (Creativity-Innovation-in-Legal-Professional-Education). It is a newsletter-cum-journal which contains literary creativity, short articles and opinion on current issue. This newsletter cum in-house journal will motivate the students, faculty, and non-teaching staff in their creative and innovative pursuit. The Title of the newsletter is unique which refers to sculpture, i.e. the creator of idol on the from stone, or person who gives shape to even hardest substance. The diamond becomes marketable only when the artist give it proper shape and i.e. what the teachers do. Despite pandemic situation all over the world, the faculty of CNLU has taken the situation as challenge and teaching the students online. This newsletter will be a mirror of CNLU activities at a glance. I wish the efforts of IQAC all success.

Justice(Mrs.)Mridula Mishra.

Registrar's Message

It's a matter of great pleasure that CNLU has started publication of its news letter 'CILPE' (Creativity-Innovation-in-Professional –Legal Education). The news letter is bulletin of the university which contains University news, faculty achievement, students achievement, curricular and extra-curricular informations. This helps the students and faculty upto date. This helps the Institution in the arrangement of documents. It is a collection of events at one place. It also reminds strength and weakness, opportunities and challenges of the institutions. It motivates the stakeholders to work with all sincerity. I Congratulate IQAC for making efforts in this direction. This news letter is an 'online publication'. It has open access to all. I wish the News letter (CILPE) all success.

Editorial:

It was beyond imagination that the whole world will be locked down. The entire activities will be switched off. The invisible virus has forced the mighty to surrender. People will be forced to return to their native places which they had left years ago for their livelihood. Now, People will have enough time for their family but under the ambience of fear. Every time the TV news in all channels are telecasting the pathetic events –the suffering from COVID -19. There was hue and cry for the medicine for the cure of the deadly disease. There is no specific medicine for the disease. People are taking 'Ayurvedic immunity doses' for maintaining health. We cannot forget the panic scene in the month of March 2020. Physical and Social distancing became a safety mantra. Saitizers, hand wash and mask have become more important than tea and coffee. Despite all these life threat, humanity cannot stand still. We found the way out of teaching 'online'. The smart phone, jio data have become essential items of life. Our CNLU faculty did not stop, rather continued their duties as per the demand of time. I wish that the pandemic be over without further delay. We should learn to erase our ego.

COVID RELIEF

Relief work undertaken by Child Rights Centre- CNLU Students and Alumni

The students and alumni of CNLU along with **Child Rights Centre, CNLU** have set up '**Shramik Saarthi**', a dedicated COVID-19 *response resource center* to help migrant labourers and others tackle financial hardships and facilitate their rescue, relief, and rehabilitation.

The alumni-student run project has undertaken various steps such as transportation of stranded workers, providing them with ration kits, etc. Some of their initiatives include the following.

Financing and Facilitating Travel

'Shramik Saarthi' had tied up with 'India Against Corona', an initiative of *Turn Your Concern Into Action Foundation* ('TYCIA') to arrange an air-conditioned bus for 80 migrant labourers from Bihar and facilitate their travel from New Delhi to Sitamarhi in Bihar and from New Delhi to Patna in Bihar.

Before transportation, all the migrants underwent medical screening by a registered medical professional to ensure none of them showed symptoms of COVID-19 before they boarded the bus.

The migrants were also provided with basic food supplies and sanitization kits (including gloves, masks and sanitizers) before the commencement of travel. Adequate provision of food and basic amenities were made for the Migrants for the journey.

The volunteers of the project further kept in touch with the local administration to ensure that upon the arrival of the migrants at their point of destination, they were properly quarantined as per Government directions and that, basic amenities were provided to them.

Relief Work in Bihar and Delhi: Provision of Dignity Kits

‘Shramik Saarthi’ has provided dignity kits to 30 families in Bihar, 250 workers in Delhi and 30 migrants of Madhepura, Bihar. Through TYCIA, it also facilitated the arrangement of food provisions for 30 migrant workers in Sitapur, Uttar Pradesh who were travelling from New Delhi to Madhepura in Bihar via Sitapur.

‘Shramik Saarthi’ also tied up with ‘Koshish Charitable Trust’ (‘Koshish’), a registered NGO in Patna, and provided Dignity Kits to 30 poor families of 4 to 5 people each in Patna, Bihar. Each Dignity Kit contained food grains, milk, masks and sanitary pads.

Further, collaborating with United Religions Initiative (‘URI’), the team has provided dignity kits which would cater to roughly 250 needy workers in New Delhi.

This apart, the volunteers of ‘Shramik Saarthi’ have attended to distress calls and facilitated assistance either through local authorities or through NGOs/ solidarity groups working on the ground.

It has facilitated the procurement of e-pass and medical certificate for 30 migrant workers stranded in New Delhi for travel to Madhepura, Bihar.

As of June 7, ‘Shramik Saarthi’ has collated and distributed a list of active government helpline numbers of all 38 districts of Bihar.

It has created a comprehensive database of government and non-government information/ data such as COVID-19 Helpline Numbers, E-pass links, latest Centre and State guidelines/ directives/ notifications/ circulars/ press releases/ schemes, relevant judgments of Courts, State labor helpline numbers and contacts of NGOs providing basic amenities such as food, water, shelter and medicines.
